- 3 balls of medium weight acrylic yarn, color B
- 3 balls of medium weight acrylic yarn, color C
- 5mm crochet hook
- Yarn needle

Stitches

- Chain stitch
- Double crochet
- Slip stitch

Instructions

Tie a slip knot with color A and make a chain six loop.

Round 1 - Make two chains to begin the round. This counts as the first double crochet stitch. Make two more double crochets. *Make two chain stitches, make three double crochets into the ring.* Repeat from * to * three times. Make two chain stitches then join to the first stitch with a chain space.

Round 2 - Make two chain stitches to begin the round. Make three double crochets, two chain stitches and three more double crochets in each chain space around. Join to the beginning of the round with a slip stitch. The groups of three double crochets will be known as clusters, and the chain spaces will be corners.

Round 3 - Make two chain stitches to begin the round. Make a cluster in between each cluster from the previous round. In each corner make a cluster, another corner and another cluster. Join the beginning of the round with a slip stitch.
