David vs. Goliath
1 Samuel 17

David and Goliath were not evenly matched. Compare the armor that both David and Goliath were equipped with at the beginning of the fight to determine whether the amount of armor had an effect on the outcome of the battle.

1. How much did Goliath’s coat of armor weigh?
2. How much did Goliath’s spear shaft weigh?

1. How many stones did it take for David to kill Goliath?
2. What did David do once Goliath was killed?
