

Great Minds Think Alike

Print one copy of this game sheet. Divide guests into two teams, and provide a pen and paper to each player. Call out each category one by one. Each player writes down the first three things that come to their mind in each category. No peeking allowed! After every category has been read, count how many people on each team wrote a word that another of their team members wrote down. Points are awarded based on how many people have similar words; for example:

- 3 points for every word that 3 people have in common
- 4 points for every word that 4 people have in common
- 5 points for every word that 5 or more people have in common
