

## Cheers Aimed at the Other Team

### A Cheer for the Other Side

We are the Spartans  
And we're here to say  
Hello to you  
And welcome  
We're glad you're here today!  
*Finish the cheer with a timed jump or stunt.*

### We Are...

We are blue and white  
Who are you? Who are you?

*The other squad should answer as such:*

We are red and gold  
Shout a little louder! ←

---

*The cheer keeps going with phrases including the school mascot, team name, and school or town name.*
