

Modern Hello Cheer

Stash Your Phones

Put down those iPods and stash your phones

Forget the popcorn, don't get up or roam

We are here to say hello

We need your help or the whole routine

will be just so-so

Eagles cheerleading

How do you do?

Let us introduce Cindy,

She throws a mean tuck (*action can vary*) ←

Now that you've met us

We'd like to say

Welcome to the game

Sit back, relax, stay and watch the Eagles play

Introduce each cheerleader and have her do something she excels at, such as tumbling, a jump or a dance.
