

Gold Star Ornament

Things You'll Need

- Small piece of gold fabric
- Eight inches of gold braid
- Synthetic stuffing
- Gold thread
- Hand sewing needle and pins
- Scissors

What to Do

1. Cut out the star pattern, and cut two gold stars out of your fabric.
2. Place the right sides together, and hand-sew all the way around the star, leaving a small space open for turning at one of the points.
3. Turn the star right side out.
4. Stuff the star to give it the desired dimension.
5. Insert both ends of the gold braid into the open point of the star to create a hanging loop. Turn the raw edges of the point in, and pin in place.
6. Hand-sew the opening to close it and secure the hanging loop. Continue sewing around the edge of the star to outline it.
