

Things You'll Need

- One piece of green craft felt
- One piece of yellow craft felt
- Eight inches of yarn for hanging, if desired
- Hot glue gun and glue sticks
- Scissors

What to Do

1. Cut out the felt pieces according to the pattern. You'll need two green tree-shaped pieces and one yellow star for each ornament.
2. Insert the slot on piece A into the slot on piece B. Add a small amount of hot glue to secure.
3. If desired, hot glue the yarn hanging loop to the top of the tree, hiding the ends inside the slot.
4. Place a small amount of hot glue on the slot of the star, and affix it to the top of the tree.
5. Allow the tree to dry before hanging.
