Sad Clown

Materials Needed:

- Dark blue and red embroidery thread
- Embroidery needle
- Cross stitch fabric

Instructions:

1. Thread on two strands of blue thread onto your needle.
2. Make cross-stitches to form the hat of the clown and the collar.
3. Make straight stitches to outline the face and hat of the clown and add eyes and frown face.
4. Add a tear with a straight stitch and a collar button with a French knot.
5. Thread on two strands of red thread. Make cross-stitches for the hair and cheeks of the clown.
6. Outline the hair and cheeks with straight stitches.
7. Add a French knot for the pom-pom on top of the hat and the clown's nose.
8. Tie off all threads on the back of the fabric to finish the clown.
