

Ruffle Beaded Bracelet

Materials Needed:

- Two different colors of lightweight yarn
- 15 small beads
- 4mm crochet hook
- Scissors

Stitches Used:

- Chain stitch
- Chain stitch with bead: Wrap yarn around above bead and pull through loop
- Slip stitch

Instructions:

1. Cut a long piece of the first color yarn and thread beads on. Make a slip knot and chain 12 stitches. Make a chain stitch with a bead, then a normal chain stitch. Repeat, alternating between beads and chain stitches, for 30 stitches. Make 12 more chain stitches. Tie off yarn.
2. Switch to your second color. Make a slip stitch in the 12 stitches from the beginning. Make five chain stitches, then slip stitch in between the first two beads. Repeat this all along the beaded portion to form ruffles. Tie off yarn.
3. Wear bracelet by tying on the end straps.
