

Knitted Pencil Case

Materials Needed:

- Medium weight yarn
- Size 7 mm round knitting needles
- Measuring tape
- Scissors
- Darning needle
- Large bead

Instructions:

1. Tie a slip knot and cast on 24 stitches.
2. Make a knit stitch into each stitch.
3. Repeat row two until the piece measures about eight inches long.
4. Cast off the stitches and tie a knot to end.
5. Fold the piece in half and sew it closed using a darning needle and a simple whip stitch. Leave the top of the case open to slide the pencils in.
6. Sew a button onto the front of the pencil case, in the center, about one inch from the top.
7. Tie a loop with a piece of yarn slightly larger than the diameter of the button.
8. Sew the loop to the back of the pencil case at the very top, in the middle.
9. To close the pencil case, fold the top down and pull the yarn loop over the button.
