Body
Crochet a chain 5" larger than your bust measurement.
Row 1: Sc in the 2nd ch from the hook and in each ch across.
Row 2: Ch 1, turn. Sc in the back loops of each st across.
Repeat Row 2 until the height of the rows equal approximately 14". Do not fasten off.
Attach Clip Rings

**Step 1:** Ch 1, turn. Place the ring over the top edge of the body. Insert the hook through the ring and through both loops of the first stitch. Yarn over and pull yarn through loop and back through ring. Place hook over the top of the ring. Yarn over and complete sc. Repeat for a total of 2 sc attaching the ring.

**Step 2:** Sc through both loops of all sts to the center of the row. Attach a second clip ring in the same way as the first.

**Step 3:** Sc through both loops of all sts. Attach the third clip ring to the last 2 sts of the row. Sl st to the base of the last st. Fasten off and weave in the end.

Suspenders

**Step 1:** Cut a 32" length of 1/4"-5/8" wide ribbon. Apply a dab of craft glue to the ends of the ribbon using your fingers. This will prevent the ends from fraying.

**Step 2:** Fold the ribbon in half to find the center. Unfold. Clip the ribbon center to the middle clip on the vest body.

**Step 3:** Clip the ribbon ends to the remaining clips on the body. Note: Do not twist the ribbon.
