Finished size:
This is a customized slipper pattern for teen and adult sizes.

Gauge:
As this pattern produces a custom fit, there is no measurable gauge. That said, if the Toe Cap feels too loose or too tight, change to a smaller or larger crochet hook.

Special Note:
Keep track of your custom rnd and row counts on the first slipper to get an exact match for the second.

Make 2

Toe Cap

Form a magic ring using worsted-weight yarn and size G crochet hook.

Rnd 1: Ch 1, 8 sc in the ring. Note: The Toe Cap is worked in continuous rnds. This is the only rnd with a beginning ch. DO NOT sl st to the beginning ch. Pull the tail to cinch the center closed. (8 sc)

Rnd 2: 2 sc in each st around. (16 sc)

Rnd 3: *Sc in first st, 2 sc in the next.* Repeat from * to * around. (24 sc)

Rnd 4: *Sc in two sts, 2 sc in the next.* Repeat from * to * around. (32 sc)

Rnd 5: Sc around.
Repeat Rnd 5 until Toe Cap passes the deepest toe crease on foot. This is usually the crease of the "pinky" toe. Do not fasten off.
**Sole and Sides**

**Note:** Sole and Sides are worked in rows.

**Row 1:** Ch 1, turn. Sc in the first 22 sts.

**Row 2:** Repeat Row 1 until Sole and Sides reach the back of the heel. Fasten off leaving a tail for sewing.

*Thread the tail onto a yarn needle. Turn the slipper wrong side out. Fold the last row with the beginning and end of the row together. Whip-stitch the sts of the folded row together. Fasten off and weave in the end.*

**Opening Trim**

**Rnd 1:** With the outside of the slipper facing you, attach the yarn to the top opening of the slipper at the heel seam. Working in the ends of the rows, dec the first two row ends tog. Continue to sc in the end of each row end. Dec the last row end and the first st on the last md of the Toe Cap tog. Sc across unworked sts of the toe cap. Dec the last st and the first row end of the Sole and Side tog. Continue to sc in the end of each row end. Dec the last 2 row ends tog.

**Rnd 2:** Working in a continuous rnd, sc in each st around the opening. Sl st to next st. Fasten off and weave in the end.

**Tie**

*Ch st until tie measures 44”. Fasten off.*

*Insert your crochet hook into the a top stitch on one side of the heel seam and out a top stitch on the other side of the seam. Grab the end of your tie and pull back through the stitches. Bring the ends of the tie together on each side of the seam with the center of the tie at the seam. Tie a half-knot to hold the ties in place.*

*Tie overhand knots on each end of the tie. Trim off the tails.*

Your slipper is now ready to wear. Place it on your foot and wrap the ties around your ankle twice. Tie the ends in a bow on the front.
