

Shingled Dishcloth Pattern

This dishcloth is simpler than it looks to make; all you need to know is how to chain, single crochet, and double crochet. Exact gauge is not important for this project.

1. Chain 28 stitches for a small dishcloth, or 34 stitches for a larger dishcloth.
2. Work 1 single crochet (sc) into the 2nd chain from hook; work 1 sc in each chain until the end of the row. Chain 3 stitches and turn.
3. Skip first sc, and work one double crochet (dc) into each remaining sc. Chain 3 stitches and turn.
4. Back post double crochet (BPdc) around each of the next two dc stitches. (Front post double crochet (FPdc) around each of the next three dc stitches, BPdc around each of the next three dc stitches.) Repeat the pattern inside the parentheses until the end of the row, ending with 3 BPdc. Chain 3 stitches and turn.
5. Repeat the last row until the dishcloth is as long as desired.
6. Work a final row of single crochet.
7. Snip the yarn, leaving an 8-inch tail, and draw that tail through the loop of the last stitch. Use a yarn needle to weave the loose tails into your dishcloth, then clip any extra yarn remaining.
