

Note Cards

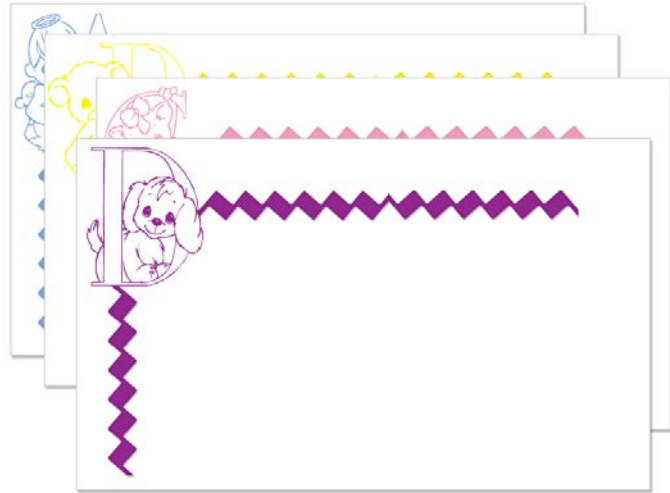

Decorating a series of note cards that she can use throughout the school year is a thoughtful and useful gift.

Supplies

- Blank note cards and coordinating envelopes
- Rubber stamps
- Ink
- Glitter, stickers or other embellishments
- Ribbon

Instructions

1. Stamp the front of the note card with the teacher's initial or a design
2. Add embellishments
3. Allow to dry

After at least six cards have been completed, tie the stack together with a cute ribbon bow

You could also write a clever learning-themed quote onto the front of the cards and add some stickers or embellishments. Add a pen or pencil for a gift that's both memorable and practical.
