

Notebook Covers

Kids of all ages need notebooks to write notes in during class. Creating special covers for these books is a fun project for parents and kids to complete together.

Supplies

- Notebook
- Double-sided tape
- Construction paper
- Markers, crayons, and colored pencils
- Embellishments
- Clear Con-Tact paper

Instructions

1. Attach double-stick tape to a piece of construction paper
2. Wrap the construction paper around the notebook, covering the front and back
3. Draw designs on the paper with crayons, markers, gel ink pens, or colored pencils
4. Add stickers, rubber stamps, glitter, cut-out pictures, or other embellishments
5. When you've got everything looking just the way you want, cover the construction paper with clear Con-Tact paper.
