

# Bookmarks Galore

Everyone needs more bookmarks since they always seem to be getting lost. Make plenty of these useful items to keep at home and at school.

## Supplies

- Construction paper or card stock
- Clear Con-Tact paper
- Scissors and pinking shears
- Hole punch
- Yarn, ribbon or tassel
- Stickers, rubber stamps or other embellishments

## Instructions

1. Cut the basic bookmark shape out of construction paper, poster board, or cardboard. Each bookmark should be about two inches wide and six inches long
2. Decorate with pictures, stickers, drawings, rubber stamps, glitter, or whatever you like
3. Cover with clear Con-Tact paper to make them more durable
4. Add wavy edges with the help of pinking shears
5. Punch a hole in the top and add ribbon or a tassel
