

Friend Autograph Album

After a long summer, it's great for kids to be able to see their friends at school. Make a special souvenir of their reunion by helping your children to create a homemade autograph book that their friends can sign. Depending upon the rules at your child's school, you could even visit on the first day to take a few pictures to add to the book at a later date.

Supplies

- Construction paper
- Copy paper
- Stickers
- Crayons or markers
- Hole punch
