

Take one step to your right with your right foot.

Cross your left foot to the right, bringing it behind your right foot.

Uncross your feet by taking another step to the right with your right foot.

Bring your left foot to your right foot and close your feet together.

Take one step to your left with your left foot.

Cross your right to the left, bringing it behind your left foot.

Uncross your feet by taking another step to the left with your left foot.

Bring your right foot to your left foot and close your feet together.

Step back with your right foot, then bring your left foot to meet it. Stay facing forward while you take these two steps back.

Step backward onto your right foot, then tap your left foot in place.

Step forward with your left foot, then tap your right foot in the back.

Once again step back with your right foot, then tap your left foot in the front.

Do the pivot and brush. As you balance your weight on your left foot, turn to the left 90 degrees while brushing your right foot carefully into the air.
