

Electric Slide

While the words to this dance don't provide clues to the steps, this dance is easy to execute once you know the steps, and so many people know this dance that you can learn it from others on the dance floor.

1. Grapevines Right and Left

- a. Step to the right on your right foot
- b. Step your left foot in back of your right foot
- c. Step to the right on your right foot.
- d. Close your left foot on the left side of your right foot, but don't put any weight on it because the left grapevine starts with the left foot
- e. Clap your hands once
- f. Step your left foot to the left side
- g. Step your right foot behind your left foot
- h. Step to the left again
- i. Close your right foot on the right side of your left foot, but don't put your weight on it
- j. Clap your hands.

2. Walking Back and Forward
