

**E**very day this week, my dear,  
 I'd like you to think of a word.  
 Hopefully a nice word, a loving word,  
 a happy word  
 that makes you think of me.  
 It can be a color I wear,  
 a thing that I do,  
 a feeling I inspire.  
 Choose carefully:  
 you only get one each day.  
 Sunday night, give me this card.  
 I may ask you about the words...  
 but next week,  
 you'll get your words, too.
