... for us...

a romantic game

ONPSUP

Oui = Yes
Non = NO (for now)
Peut-Etre = Maybe (try it once)
Si
Vous }

= YES PLEASE MORE!
Plait

This game is simple. You're going to ask to touch me or kiss me or do something you think I'll like.

I'm going to say one of the words on the left.

What I say determines how you do it...and then you can ask again, or ask something else.

Use your imagination, darling... After a while... WE'LL SWITCH.
