Envelope Dog Pattern Using Pillow Insert

You will cut the rectangular pattern based on the size of pillow you are using.

1. **Standard Pillow Case:** Cut two rectangular pieces of fabric that are 21” x 32” – Increase the size of the rectangle below by 3.

2. **Queen Pillow Case:** Cut two rectangular pieces of fabric that are 21” x 36” – Increase the size of the rectangle below by 3 and add 3 inches to the long side.

3. **King Pillow Case:** Cut two rectangular pieces of fabric that are 21” x 42” – Increase the size of the rectangle below by 3 and add 9 inches to the long side.

4. **Euro Pillow Case:** Cut two rectangular pieces of fabric that are 27” x 32” – Increase the size of the rectangle below by 3 and add 6 inches to the short side and 2 inches to the long side.
Make sure your printer prints to scale or simply measure final pattern to ensure the measurements are correct.
