Dear Maya,

I am beyond saddened to hear about the loss of your sister. Tiffany was such an incredible person and I feel so lucky to have known her so well. She was definitely one of the funniest people I had the privilege of knowing and I will deeply miss spending time with her.

My favorite memories always include the three of us, and I will never forget all of those amazing family vacations we took together. It's difficult to express just how much I will miss her.

Know that I am here for you during this time and I love you so much. If you need help with your little ones or pets, just let me know. I'll be dropping off some dinner for you this week and will check on you throughout the week. Please don't feel pressure to respond- I understand you may not feel up to talking or seeing anyone right now.

Sending you all of my love,

Naomi
