This Land Is Your Land

by Woody Guthrie

```
D                G                          D          Dsus4 D
  This land is your land, this land is my land
              A                A7          D
From California to the New York Island
D7                           G                                D
  From the Redwood Forest to the Gulf Stream waters
 A7                                        D
This land was made for you and me.
```

Verse 1:

```
D                G                          D          D2
   As I went walking that ribbon of highway
           A                A7          D
I saw above me that endless skyway
    D7      G                          D
  I saw below me that golden valley
 A7                                        D
This land was made for you and me
```

Chorus

Verse 2:

```
D                    G                                  D          Dsus4 D
  I roamed and I rambled and I followed my footsteps
                     A          A7                  D
To the sparkling sands of her diamond deserts
  D7           G                          D
  While all around me a voice was sounding
 A7                                        D
This land was made for you and me
```

Chorus

Verse 3:

```
D                              G                          D      D2
  When the sun came shining, and I was strolling
                             A       A7                        D
And the wheat fields waving and the dust clouds rolling
```

D7 G D
A voice was chanting, As the fog was lifting,

A7 D
This land was made for you and me

Chorus

Verse 4:

D G D Dsus4 D
As I went walking I saw a sign there
A A7 D
And on the sign it said “No Trespassing.”
D7 G D
But on the other side it didn't say nothing,
A7 D
This land was made for you and me.

Chorus

Verse 5:

D G D D2
In the squares of the city, In the shadow of a steeple;
A A7 D
By the relief office, I'd seen my people.
D7 G D
As they stood there hungry, I stood there asking,
A7 D
This land was made for you and me?

Chorus

Verse 6:

D G D Dsus4 D
Nobody living can ever stop me,
A A7 D
As I go walking that freedom highway;
D7 G D
Nobody living can make me turn back
A7 D
This land was made for you and me.

Chorus (repeat as desired)
