

Girls Like You

by Maroon 5

♩ = 120

Play these four half-note chords throughout entire song, played with a half-time feel as if it were 60 BPM.
On half-rest, strike the strings once while muting them or strike the guitar's wood to make a percussive sound.

Chord diagrams for C, G, Am, and F in 4/4 time. The diagrams show the fret numbers for the Treble (T), Middle (A), and Bass (B) staves. The C chord is 0-1-0-2-3. The G chord is 3-3-0-0-2-3. The Am chord is 0-1-2-2-0. The F chord is 1-1-2-3-3-1.

If you'd like a little more challenge, you can also learn the second rhythm part that is tracked in the official recording as a fast-picking palm-muted rhythm guitar layered beneath the chords. See below for this second part's tablature.
