

# Numbers Matching Game

## Instructions:

**Number of Players:** 2-4

### **Game Setup:**

1. Print and cut out all the game cards.
2. Shuffle all the game cards together.
3. Place the game cards face-down in a grid pattern.

### **Game Play:**

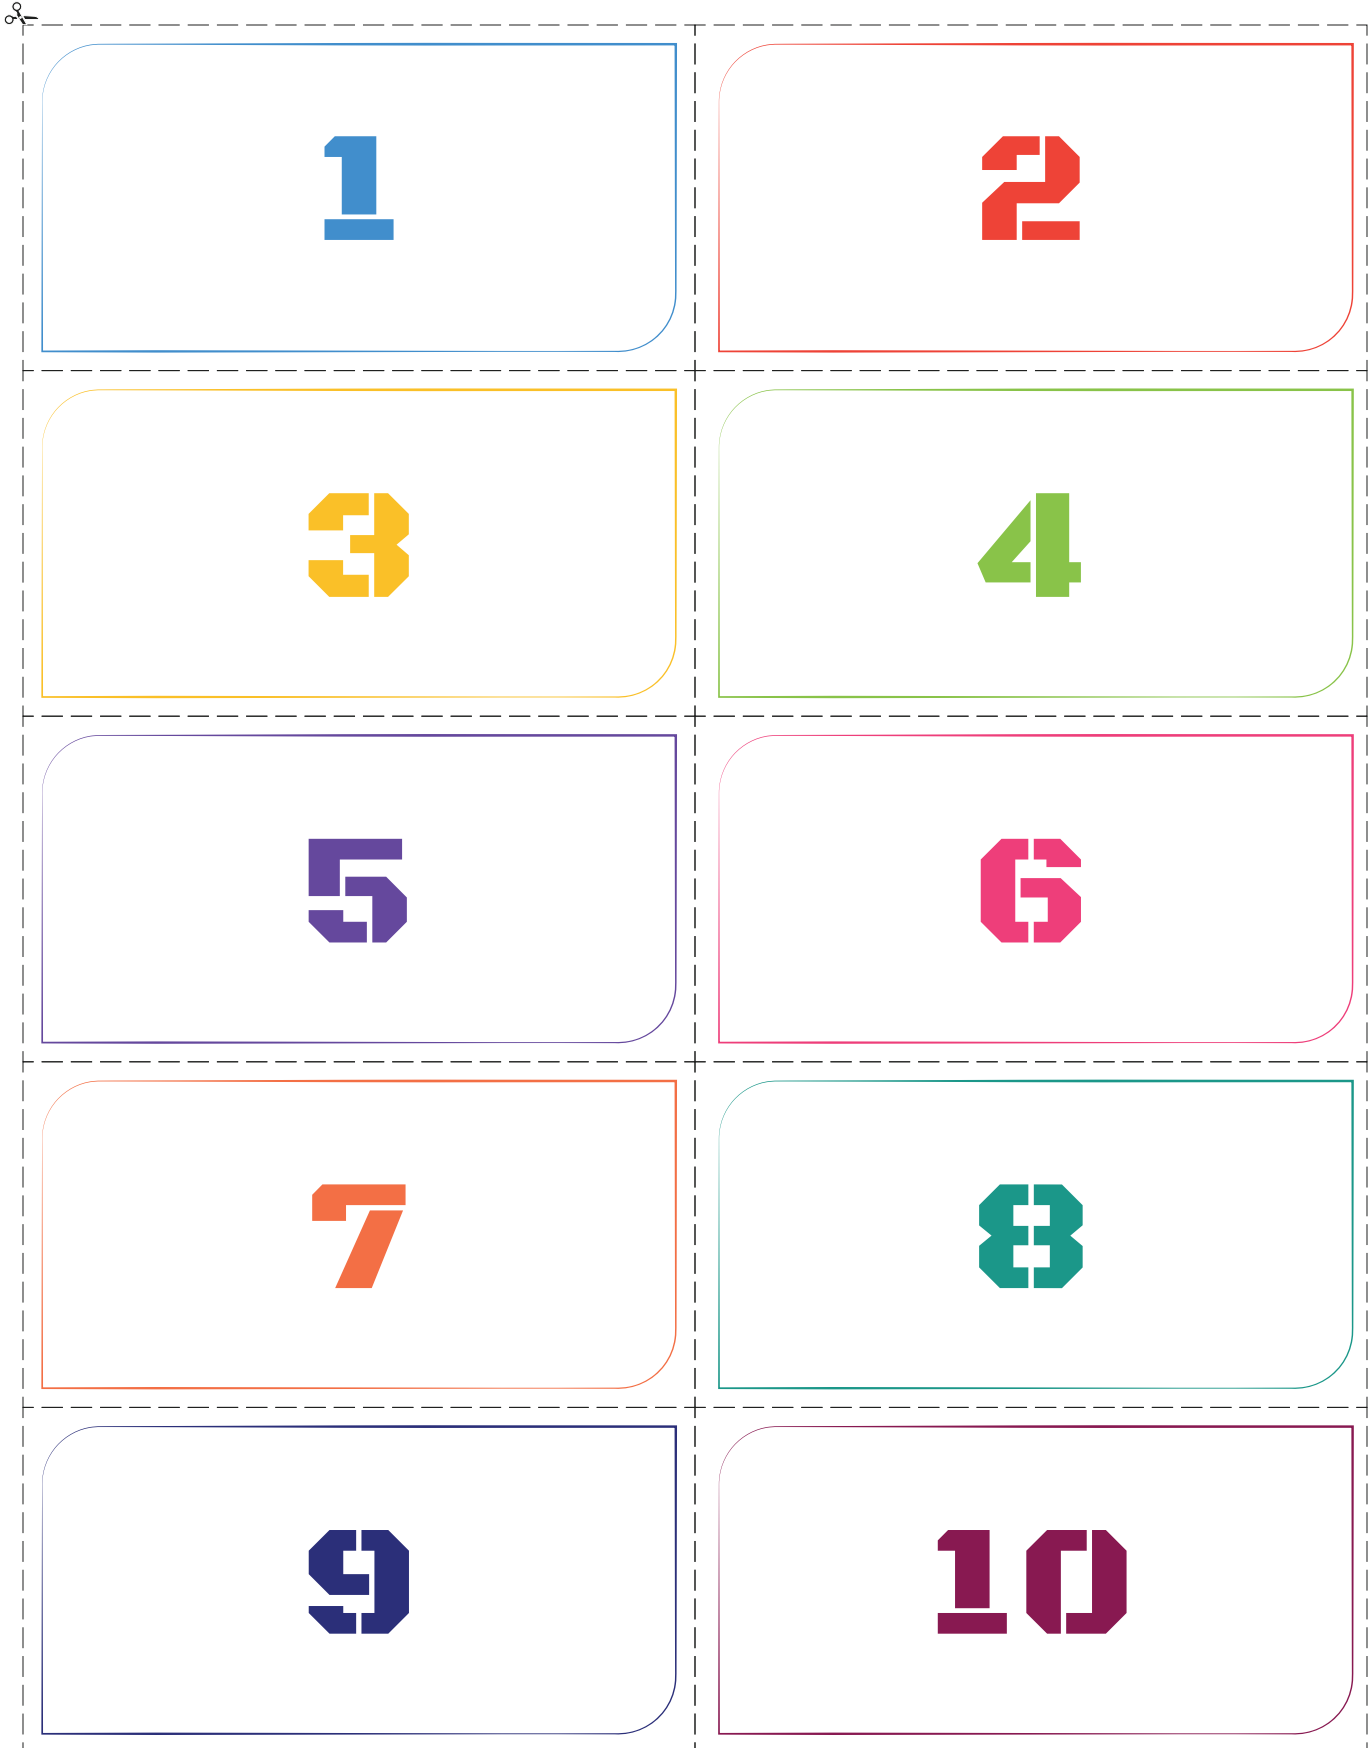

1. The youngest player goes first.
2. On a turn the player flips over three game cards.
  - a. If all three cards have the same number, the player picks up all three cards and keeps them. The turn is over.
  - b. If only two cards match, the player can turn over the non-matching card and flip over a different one. If the new card is not a match, all cards get flipped back and the turn is over.
  - c. If none of the cards match, the player flips all cards back over and the turn is over.
3. Play continues in a clockwise direction.
4. Once all game cards are gone the game is over.
5. The player with the most game cards at the end is the winner.
