

Combining Colors

You can combine different colors and hues to create additional colors. For this activity, you will need paint, a paintbrush, a small cup of water to rinse the brush and a towel to dry the brush on after rinsing.

Using the color wheel above and only red, yellow, blue, black and white paint, mix up the colors listed below and paint a circle with that color in the box.

- 1) Pink 2) Dark green 3) Lilac 4) Sky blue 5) Tan 6) Dark red
