## Script:

**Narrator:** Although we cannot be at Jesus' tomb on this the day of his Resurrection, the symbols of Easter help take us back to that momentous day and time.

**Cross Disciple:** This cross I carry as Jesus did when walking to his crucifixion. I will feel its weight as I walk. (walks across stage).

**Crown Disciple:** This sharp and painful crown of thorns I wear (places crown on head) to share in Jesus' suffering.

**Rock Disciple:** This rock I move (pushes rock aside on ground) as another did when Jesus was resurrected from his tomb.

**Food Disciple:** This food I share (gives food to others on stage) in Jesus' name with those I hold most dear.

**Egg Disciple:** These eggs I give to the children of God as a reminder that life is precious.

**Narrator:** The symbols of Easter bring us sadness and joy as we connect with Jesus on this Easter day. What will you hold, wear, move, share, or give in celebration of this momentous occasion?
