Instructions for Parents:

1. Find a workspace that will allow the child to be messy. The perfect place for this activity is on the kitchen table.
2. Put down a place mat and have your children wear an old shirt or pin a towel to them like a bib.
3. Have fruit and candy handy in bowls ahead of time.
4. Take two full sized graham crackers and place them next to one another.
5. With a plastic knife, help your child to spread whipped cream over the two crackers.
6. Use the whipped cream as a canvas for the child to create their work of art.
7. The bite sized fruit and candy can make their artwork.
8. Once their masterpiece is completed, they can eat it!

Ideas for works of art: Make a smiley face, different shapes, make an animal face, letters, numbers, etc.
