

Good Witch Makeup

Grown women can have just as much fun being the good witch as younger girls can. Good witches are typically ornamented with sparkly accessories, frilly clothes and plenty of ethereal makeup applied with a light hand.

Materials

- Light peach eye shadow
- Silver eye shadow
- Dark purple eye shadow
- Thin eye shadow brush applicator
- Blending brush
- Matte foundation
- Coral-colored blush
- Glitter
- Pink lipstick

Instructions

1. Apply a matte foundation to your skin to even out your skin tone.
2. Apply a light, peach-colored eye shadow over your eye lids and up to your brow bone.
3. Apply a light, silver eye shadow in the center of your eyelids, blending in to the inner corner of your eyes.
4. Apply a thin line of dark purple eye shadow just along your lashes on your upper lids.
5. Run your blending brush over the shadow to soften it.
6. Smile to expose the apples of your cheeks and rub a coral-colored blush into them.
7. Dust on a touch of glitter for sparkle.
8. Apply a pink lipstick.
