

Origami Fortune Teller

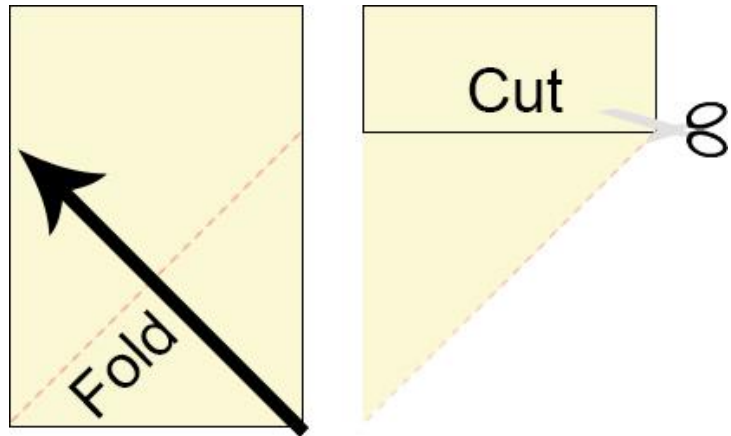

Materials

- 8.5 x 11 paper
- Scissors

Instructions

Step 1:

Fold the bottom right corner of the paper up so it is even with the left edge of the paper.

Step 2:

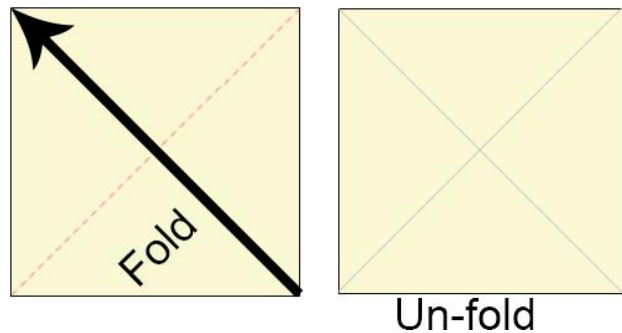

Cut the remaining unfolded paper off.

Step 3:

Unfold the paper.

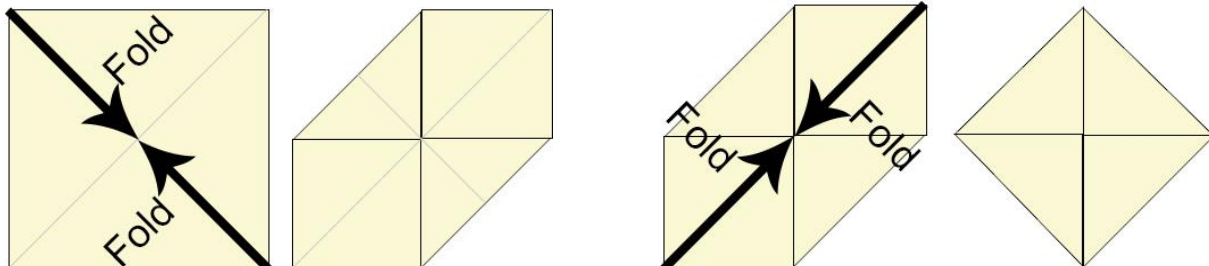

Step 4:

Fold the paper in half diagonally across the existing fold line and then unfold it.

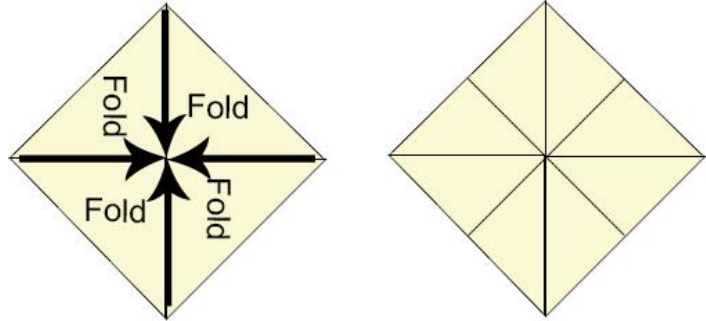

Step 5:

Fold each corner into the center.

Step 6:

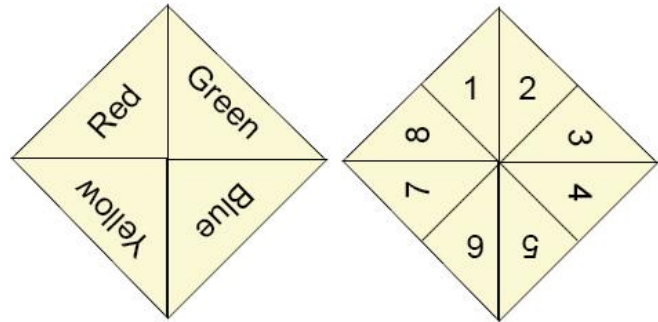

Turn the folded square over and fold each corner in to the center again to make a smaller square.

Step 7:

On the side with four triangles write a color name on each triangle.

On the side with eight triangles write a number on each triangle.

Step 8:

Unfold the triangles and write a fortune on the back side of each numbered triangle.
