

Candle Scent Scramble

This game works well for candle parties, but you could adapt it to any type of product you happen to sell.

1. Before the party, create a list of candle scents that will be featured at the party or listed in your catalog, and scramble the scent names.
2. Print out copies of your scramble list so you can hand them out to the guests at the party.
3. Give the guests 10 minutes to unscramble the words.
4. Whoever has the most correct answers after the time is up is the winner of one of the candles.

Some examples of scents to scramble include:

- LNILAVA (Vanilla)
- ONLME (Lemon)
- CSPEI (Spice)
- SHREF UTC SSEOR (Fresh Cut Roses)
- TONCTO (Cotton)
- EMNOL (Melon)
- PCTALUIHO (Patchouli)
- STOMACHNI (MacIntosh)
- ASEUPUTCYL (Eucalyptus)
- THAUZNLE FOECFE (Hazelnut Coffee)
