

Glittering Balls

Hang these fun glittering balls above your table, in doorways, or anywhere you want a little extra sparkle.

Materials

- 2-inch Styrofoam balls
- Gold glitter spray
- Toothpicks
- Gold spray paint
- Fishing line
- Glue

Instructions

1. Spray the Styrofoam balls with gold glitter. Set them aside to dry.
2. Lay out the toothpicks in a single row and spray them with the solid gold spray paint.
3. Let the paint dry, then flip over the toothpicks. Spray the other side.
4. Insert the toothpicks into the Styrofoam every few millimeters so they completely cover the ball and make a sparkling sun or star.
5. Glue the end of a piece of fishing line to a toothpick to hang.
