

We've Been
BOOED!

You've Been Booed!

Don't get spooked by a little BOO!
We just wanted to share our
Halloween spirit with you!

Place the sign on your front door.
This way, everyone knows you've played
and won't try to leave you more.

Spread the Halloween Boo
to others who are close to you.

Once your neighbors have gone and left,
you can add your own treats
to their steps with deft!

Don't forget to add this poem and sign
so everyone can play along just fine!

Happy Halloween!
