

Who's the Most Thankful For...?

Directions: Give each player one copy of the game sheet. Set a timer for two to five minutes. Write your name next to the one item on the list you are most thankful for. Write down one person at your Thanksgiving party who you think is most thankful for each of the other items. Share your answers. You get one point for each person you guessed correctly. The person with the most points wins. If you have fewer players than items, you may use each player's name twice.
