Directions:

1. Split the group into equal teams of two or more.

4. Spread the Bible Character Cards face-up in the center of the playing area.
5. Stack the Question Cards face-down in a pile to one side of the playing area.
6. Choose a team to start the game. Game play moves in a clockwise direction.
7. On a turn:
 - a. Choose one player from your team to be the Reader and one to be the Player. All other teams choose one Player.
 - b. The Reader picks the top Question card and reads it out loud for all teams to hear. When they have finished reading the question, all Players from all teams grab one Bible Character Card from the center pile who they believe is the correct answer to the question.
 - c. The Player with the correct Bible Character Card in their hand earns one point for their team.
 - d. No person can be their team's Player twice in a row.
8. The next team then takes their turn.
9. The team with the most points after all the Question Cards have been read wins the game.

Optional Game Expansion:

1. Print and cut out two copies of the Bible Character Cards.
2. Follow the same standard rules. If two Players each choose the correct Bible Character Card, they each get one point for their team. They can then earn a bonus point by being the first to correctly state the character's last name or a chapter/verse in the Bible where they are found.
