

Speech from a Close Friend

Hello everyone. For those of you that don't know me, my name is Doug Cameron. I have been friends with Jack for quite some time, and I'm happy to say that after getting to know her so well over these last two years, I call Carol a friend as well.

At first, it may not seem obvious how these two became a couple. After all, Jack's so outgoing, and Carol's more on the quiet side. But as it so often happens, opposites attract, and I think these two quickly realized how well they complete each other.

So here we are two years later sitting down to this lovely dinner provided by Jack's parents, and tomorrow we'll all be at the wedding that Carol's parents have so graciously helped put together. It warms my heart to see all the examples of love in this room, and I think we're all privileged to be a part of it. Let's wish Jack and Carol every happiness and a long life together.
