

## Sample Speech One

Hello everyone, I would like to thank you all for coming here today to celebrate with us. It means the world to myself and \_\_\_\_\_ (bride's name) that you chose to take time out of your busy schedules and acknowledge our nuptials.

When I met \_\_\_\_\_ (bride's name) on \_\_\_\_\_ (date of first meeting), I felt \_\_\_\_\_ (describe how felt at time of meeting new wife). At the time we were both \_\_\_\_\_ (describe place, situation or life events going on at the time), which meant \_\_\_\_\_ (explain the impact of this event or situation). I had no idea then that she would become my wife, which I displayed by \_\_\_\_\_ (describe how the groom acted when he first met the bride).

However, after \_\_\_\_\_ years (or months), I finally understood that, without \_\_\_\_\_ (bride's name), I was incomplete. I have never been happier than when she agreed to marry me or today, when she finally became my spouse.

I cannot thank our parents enough for their support. I also cannot thank you all enough for demonstrating your support for our relationship by joining us here today. Thank you.

## Sample Speech Two

Hi, there, everyone. When \_\_\_\_\_ (bride's name) and I discussed my giving a speech, I never thought I'd be so nervous. The funny thing is that I'm more nervous now than ever, even when I was standing at the altar today. You see, I have never questioned my love for \_\_\_\_\_ (bride's name) or our relationship. I know in my heart that she and I are made for each other and a perfect match because

\_\_\_\_\_. Because of this, there is nothing I was more certain of in my entire life than marrying \_\_\_\_\_ (bride's name). Although the wedding process can be stressful for some guys - as can be asking someone to marry them - I have always felt 100 percent secure in my decision. I am, however, still extremely glad that \_\_\_\_\_ (bride's name) said yes and that she showed up today!

\_\_\_\_\_ (bride's name), I love you, and cannot thank you enough for all you do for me and for being willing to become my wife. I think that everyone in this room can agree with the statement that you make me a better person. After all, it was you who got me to \_\_\_\_\_ (insert something funny that the bride induced the groom to change or do). And obviously that was a huge success!

Also, thank you to everyone here tonight and our families. Your support means the world to us. I hope you all will join me in raising your glass to my beautiful bride, our parents, and all of you for being here today.

### Sample Speech Three

Well, I think you all know me, but in case you don't, I'm \_\_\_\_\_ (insert groom's name), the groom in this wedding. I speak on behalf of myself and \_\_\_\_\_ (bride's name) when I say "thank you" for being here tonight to celebrate us.

Wow, to think that \_\_\_\_\_ (insert "in a short time" or "a short time ago", depending on when speech is delivered) \_\_\_\_\_ (bride's name) and I \_\_\_\_\_ (insert "will become" or "became") man and wife. We're officially a joint entity! \_\_\_\_\_ (bride's name,), isn't it romantic to think of ourselves as a legal, joint entity? Although some people may say "no", I find our newfound partnership extremely romantic.

But seriously, though, thank you for marrying me. Without you I would be lost and definitely less loved.

And now, I introduce \_\_\_\_\_ (next speaker),  
\_\_\_\_\_ (insert relationship of speaker to wedding party or couple),  
who would like to say a few words.
